Weekly Test-1 Time Table

Dear parents,

Greetings from MLZS!

For the well academic preparation of our students, the school is going to conduct Weekly Test-1 on Mondays for grade I to IX from April 23, 2024 . The purpose is to use these tests as a diagnostic tool and to assess the depth and clarity of learning in the concepts. Students have to give this exam compulsorily as marks of this exam will be counted in the Internal Assessment. No retest will be conducted for students who remain absent from the test.

Kindly refer to the below given time table for the Weekly Test-1
